

To Our Juice It Up! Community:

All states in which we operate have directed restaurants to halt the dine-in component of their businesses to help mitigate the potential spread of the COVID-19 coronavirus, effective March 17, 2020. They have also encouraged and support restaurants such as Juice It Up! to continue to offer carry-out and delivery to support our communities.

Here is how we will continue to move forward to serve you your Juice It Up! favorites:

- **Juice It Up! Locations Remain Open for Takeout:** We are here for your hand-crafted smoothie, juice and bowl needs! The communities we serve need our support now more than ever given the reduction in restaurant options.
- **Enhanced Takeout Service:** We offer and encourage call-ahead orders to be placed for quick and convenient pick up.
- **Third Party Delivery:** Delivery is available for most locations on third party delivery sites.
- **Dine-In Closed:** Our lobbies remain open only for guests to pick up their takeout orders. No dine-in is allowed in any restaurant at this time.

To get information on your nearby location, please visit our location page on www.juiceitup.com

The Juice It Up! franchise system will continue to closely monitor and adjust our operations and protocols as necessary. We sincerely wish you, your families, and the communities we serve good health and well-being.

Thank you for allowing us to continue to serve you! We look forward to seeing you soon.

Kind regards,
Chris Braun
CEO, Juice It Up!
